

XVI. PSB Group in Euro-Mat

The Polskie Składy Budowlane Group belongs to the international network of Euro-Mat purchase-sale groups. PSB Group became a member of Euro-Mat in June 1999 as the first network from Central-Eastern Europe. This is a federation of companies selling building materials and products from the "house and garden" fields. It consists of 23 groups from 19 European countries, its cumulative revenues in 2010 amounted to 23.3 billion Euro. Last year over 30 people, employees and owners of 24 PSB members, visited the greatest European purchase group – German Eurobaustoff (consisting of 500 trade companies, 1300 commercial outlets, with revenues in 2010 of 10 billion Euro).
